Re: New Directors since May, 2011

There have been changes in directorships as follows:

In May 2011:
Louisa Co welcomed Thomas Pristow

In June 2011:
Bath Co welcomed Jason Miller
Sheila Crossen-Powell assumed responsibility for Hanover
Kathy Andrews became director for Halifax County

In July 2011
Debbie Burkett starts as Director of Brunswick
Steve Hawks takes over as Director in Norfolk
Tony Isom assumes the position of Director for Grayson

To the best of my knowledge, the following localities have a vacancy or an interim /acting in the position of Director:

Spotsylvania	Alleghany/Covington
Charlottesville	Page
Franklin City	Craig Co
Lynchburg	Russell Co

I am aware of now additional retirements after July 1, 2011 that were not previously reported.

Please forward any corrections or additions as you become aware of them.

Thank you to the many directors who have stepped up to help make sure that each new director receives their League binders and a personal visit to orient them to the VLSSE.

Thank you.
