In September 2011

In October 2011

NO CHANGES IN DIRECTORSHIPS!

To the best of my knowledge, the following localities have a vacancy or an interim /acting in the position of Director:

Spotsylvania  
Charlottesville

Greensville/Emporia  
Russell Co

I am aware of no retirements at this time.

Please forward any corrections or additions as you become aware of them.

Thank you to the many directors who have stepped up to help make sure that each new director receives their League binders and a personal visit to orient them to the VLSSE.
